

PRIMA, in collaboration with URMIA, is pleased to offer **ENTERPRISE RISK MANAGEMENT (ERM)** training featuring concurrent ERM tracks for **PUBLIC SECTOR** and **HIGHER EDUCATION** institutions. Crafted by risk management experts, PRIMA's two-day training uses the ERM international standard, ISO 31000, to teach public entities how to strategically manage risks by creating an organizational understanding of risks and interdependencies. PRIMA's goal is to equip attendees with the knowledge, skills and ability to effectively measure performance, reduce cost, mitigate exposures and exceed organizational goals. The desired outcome is to establish long-term enterprise-wide resiliency in public entities.

Participants engage in hands-on group learning, timely ERM case studies and valuable dialogue with their peers and ERM training instructors.

PRIMA's ERM training is a cohort, not another conference! The ERM learning never stops—alumni have ongoing access to the members of their cohort and PRIMA's ERM faculty. Alumni benefit from our post-training learning continuum!

PRIMA ERM FACULTY

Attendees receive individual as well as group instruction from experts who have successfully implemented ERM using the ISO 31000 standard.

Learn more about PRIMA's ERM faculty, visit primacentral.org/isofaculty.

PRIMA'S 2019 ERM DATES & LOCATIONS:

March 13–14, 2019	Las Vegas, NV	Linq Hotel
November 13–14, 2019	New Orleans, LA	Hyatt Regency New Orleans

PRIMA'S IN-HOUSE ERM TRAINING

HOST AN ERM TRAINING AT YOUR ENTITY!

PRIMA's faculty will travel to your office to teach ERM! The In-House ERM training affords organizations the opportunity to have their entire staff participate in an ERM training specifically designed to meet the needs of their entity.

For additional information regarding PRIMA's ERM training, email education@primacentral.org.
