# 2022 WEBINAR SERIES

At 10:15am, during a workshop, you here some popping sounds followed by screams. Someone rushes into the room and states that she thinks there's a gunman who accessed the building from a side entrance. He's headed in this general direction.

- What will you do first and why?
- What are your top three concerns?
- You are attending this conference with several colleagues. How will you connect with them?

# 2022 WEBINAR SERIES

Two, long minutes have passed. A colleague who had left to use the restroom before the incident began texts you to say that she is being told that the incident is over. You hear the increasing sound of sirens.

- What will you do now?
- What further information do you need?
- What other concerns do you have?

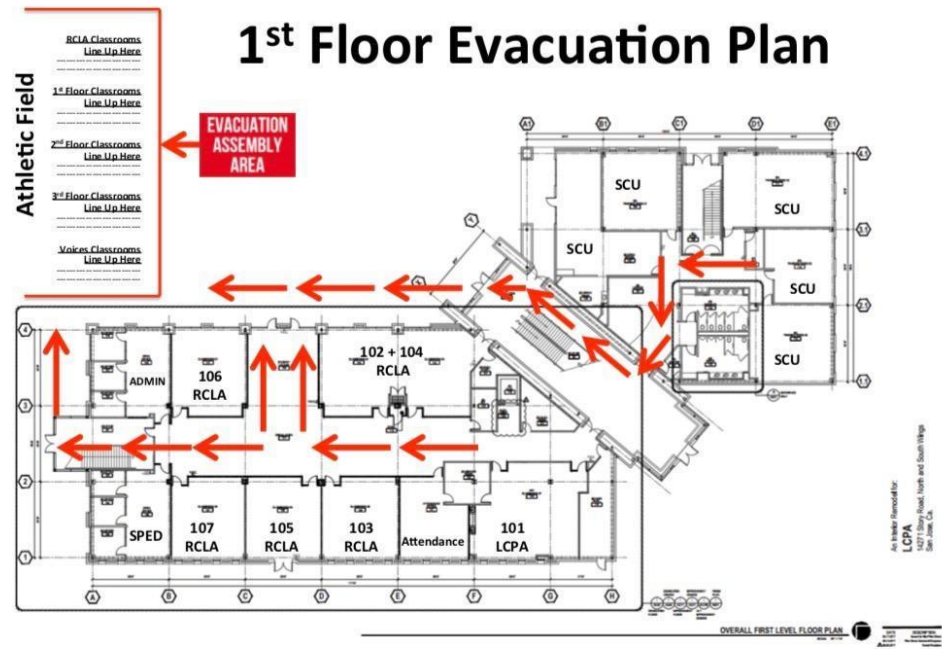

## What Emergency Supplies Do You Have?
