PUBLIC RISK ACHIEVEMENT AWARDS 2022 APPLICATION FORM

Applicant Name: _____

On a separate sheet of paper, please provide simple and direct answers to each requirement. Provide specific data (budget, number of people, hours, etc.) where appropriate.

General description: A brief description of the product or program submitted.

Local problem or circumstance(s): Describe what led to the development of this product, program or service offering.

Development: Indicate the length of time each participant devoted in developing this product, program or service offering. Were outside consultants used? If so, how long did it take them to complete the project(s)?

Entries are to be rated in accordance with each of the four (4) criteria as follows:

- Significance:** Explain why the entry is important to public sector risk management. What significant concepts, standards and techniques did your entry display, advance and contribute?
- Transferability:** Describe how this product or program could be adapted for use by other organizations. What other types of entities could benefit from this product or program? Would significant modifications be required for implementation?
- Cost/Benefit:** How much did the project cost? Please include length of time. Identify the value (both tangible and intangible) resulting from undertaking this project. If possible, please quantify the value.
- Originality/Innovation:** Describe what makes your approach different from others.

Optional: On a separate page, highlight any other noteworthy features about the program/product.

Please check the word(s) corresponding to the attached documentation
