PUBLIC RISK MANAGER OF THE YEAR AWARD

2025 APPLICATION FORM

Applicant Name: _____

To be considered for the Public Risk Manager of the Year Award, applicants must be a current PRIMA member in good standing.

On a separate sheet of paper, please provide a simple and direct answer to each of the requirements below.

1. Developed and implemented a successful risk management program for a public entity.

Please detail the legislative, environmental, organizational or other types of challenges and successes that the entity experienced. Describe actions taken to overcome the challenge and results of the actions, as well as cost savings or recognizable changes in losses.

2. Developed, implemented, and administered loss prevention and loss control programs to eliminate or reduce the risk exposures of the entity.

Describe the entity's loss prevention and loss control programs. State the effectiveness of the programs in terms of lower frequency, decrease in number and amounts of claims, or other quantifiable results. Explain how loss control and loss prevention programs help contain overall costs for the entity.

3. Coordinated a support system that best serves the entity's risk management goals, objectives and needs.

Describe the means and ways used to collect and process data; provide information to management and analyze loss data trends. Explain how the risk management department coordinates risk management system(s), principles and practices with other departments and functions within the organization. Clearly describe their effectiveness.

4. Served as a mentor and leader within the industry to help others develop quality risk management programs.

Describe your leadership role in the risk management community. List your accomplishments and activities outside the entity during the past five years that support and promote the risk management profession; including speaking and moderating engagements; and service on committees at risk management-related organizations. List your professional designations, if you have them; plus any honors received. Indicate the years you received designations and/or honors.

5. Demonstrated innovation and adaptability in response to emerging risks and evolving industry trends, showcasing how your risk management strategies evolved over time to address new challenges and capitalize on opportunities.

Provide specific examples of how you proactively identified and managed emerging risks, highlighting any groundbreaking initiatives or adjustments made to the risk management program. Describe the outcomes and impact of these innovations on the entity's overall risk profile and long-term resilience.

Send your application form, résumé/biography and any testimonials to PRIMA. **Incomplete** applications cannot be accepted. Email application to: pgerard@primacentral.org.
